

Happy Easter!

STORY & PAGE		<i>Lisa Stokley: Paving the Path for Others</i>		
<i>My Spring Break!</i>	2	<p>Lisa Stokley enrolled in the Resident Self-Sufficiency program last May. She is currently working, attending Austin Community College, and raising her three sons. During the holiday season, Lisa collected blankets and clothing for the homeless and worked with an organization that provided turkey dinners for ten needy families at the Allen Woods Homes. Here is the rest of Lisa's inspirational story in her own words:</p> <p>“For many years I was afraid of pursuing opportunities that would make my</p>	<p>life better. Fear of failure and rejection held me back from setting goals and accomplishing them. However, last year I started attending church, and I developed a personal relationship with Jesus Christ. He helped me understand that mistakes are just learning experiences and that if we do not allow ourselves to make mistakes we will never learn from them. He has given my life purpose and guided me through my first semester of college this past fall. I am now pursuing a career in social work to help others find</p>

Austin Community College Challenge

Imagine feeling the sense of pride earning a degree in 9-12 months. Imagine being able to pay for bills and still having money left over for yourself or the family. That is what Mr. Albert Sierra, along with other advocates, suggest would be one of the benefits of an Austin Community College Campus in San Marcos. He believes many housing residents would benefit from the reduced in-district fee of \$39 per semester hour, accessibility to those with limited transportation, and allowing parents more time at home with their children. **Advocates are circulating a petition to get a proposition on the November ballot** so voters can decide whether or not we should be a part of the ACC District. Petitions are available at the resident services center at your site. **You must be a registered voter** in the San Marcos school district, which includes some areas outside of San Marcos city limits. **Sign only one time.** Signers do not have to include their voter registration number if they don't have it with them but if they do, the verification process will be easier.

Our Generation

Trustworthiness

Trustworthy means to be honest
 And to always keep your promise
 Always have loyalty
 And the last is integrity
 Look at me
 I'm so Trustworthy
 Your life is like a journey
 Choose your own path
 And stay on task
 Treat others the way you want to be treated
 If you don't get it then let me repeat it

Trust you must no matter what
 So get off your feet
 And keep your promise
 And become a star like Kurt Thomas
 So be honest like me
 I get trusted so much I got nice Nikes

Heart of a Champion

Kara Marin, fourth grader is a true champion. She received a first place trophy in the city's basketball league. Kara made the winning shot when the game was tied 14 to 14. She launched a 2-pointer just before the buzzer, winning the game. The folks at the PODER Learning Cerner are very proud of Kara.

Take my advice you get treated so nice
 Treat people kind and stop whining
 And just start trying
 And you be findin' respect.

At Chapultepec, the Delta Gamma sorority and other volunteers painted benches and lattices to help brighten the complex.

Korner Store and even helped with the community garden.

At Allen Woods, volunteers planted flowers and vegetables at the PODER Learning Center and helped neighbors on outside projects.

Thanks Bobcat Build! Your community spirit has helped make our housing sites a more pleasant place to work and live.

Honor Society Inductee

Maria Jones, daughter of Delesha Jones, is a 7th grade student at Miller Junior High School who has recently been inducted into the Junior National Honor Society. She attends Kids Against Drugs on a regular basis, when she is not at her dance class practice at her school. She is a very respectful young lady and a delight to have in the group. El Sol le Dijo a la Luna

El sol le dijo a la luna,
quieres ser mi mujer?
La luna le contesta,
eso nunca podra ser.

Cuando tu sales de dia,
yo salgo de noche.
Ni con un milagro,
¡Del santo niño de atoché!

El sol se puso triste,
La tierra se puso a llover.

A si le pasa a un hombre,
Cuando quiere una mujer

Le digo al eterno,
Y a las estrellas tambien.
Que hacemos los hombres,
Para vivir sin ellas?
