A New Focus on Youth Services

Kids Against Drugs (KAD) has been the focus of our services to the children of public housing since 1990. Drug abuse prevention was the primary goal of this program and even though we provided services to teens, a large portion of our resources were devoted to children in the 1st through 5th grades.

Earlier this year, we commissioned an outside review of the KAD program. As a result, we decided to shift our focus to teens and pre-teens. If a child is going to begin to go down the wrong path in life, it is highly likely that it will happen in early adolescence. You don't have to look very far to see evi-

dence of this. If you haven't seen it in your own family, you probably have a friend or a relative who is dealing with a wayward teen.

KAD has seen many successes, including the first 18 year-old to be elected to the SMCISD Board of Trustees. Many of the features of the KAD program will remain and will actually be expanded. However, we will devote more of our resources to innovative activities for youth in the 6th through 12th grades. We will focus on community service, science & technology, art, music, drama, agriculture, and more.

To help make this change happen, we decided to

make some changes in our personnel. Instead of two Resident Services Managers overseeing youth services, we will have one Youth Services Coordinator supported by contract employees and volunteers. Services have been temporarily suspended while we make these personnel changes and so we can make detailed plans. Please watch for flyers and other notices so you don't miss your chance to be involved in this exciting change! Thank you for your patience as we work to improve our services. *If you want to volunteer your time to help us, call Bonnie Pecina at 392-6273.*

Good Housekeeping

The video is designed to provide public housing residents with some great ideas on cleaning and caring for their homes. Call 396-3367 to arrange for a viewing. If you have received a warning notice concerning your housekeeping, this can help!

On Friday, August 15, Allen Woods and C. M. Allen Homes were alive with loud horns, cheers, and candy rocketing throughout the neighborhood as teachers from the new Travis Elementary waved and tossed sweet treats at on-lookers in a celebration of the coming school year.

Bonnie Pecina, our Youth Services Coordinator (holding the right side of the big check), applied for a grant from *Sam's Club* a few months ago. Her dedication to our youth resulted in a check for \$2,500! That will pay for several great activities in the coming year.
