

ALLEN WOODS HOMES — PODER LEARNING CENTER

JULY

**SUMMER FUN**

The summer program at PODER has officially kicked off and we are having a blast! Our kids have been enjoying fun activities inside and out at our center, while going on fun fieldtrips to make this summer a memorable one! So far we've gone to fun places like our neighborhood bowling ally, played at the Bobcat Stadium, and had a visit from Texas State athletes! Our big fieldtrips are just around the corner, and our children are more than ready!

If you are interested in signing up your child please contact Matt at 512-396-3367 or come to the PODER center for a form!

If you are interested in Bingo or our Socials, we hold a social on Monday from 10:00 AM to 11:00 AM, and Bingos every Wednesday from 10:00 AM to 11:00 AM!

Springtown Villa

Father's Day is a holiday of honoring fatherhood and paternal bonds, as well as the influence of fathers in society. A father is someone you look up to no matter how tall you've grown. Fathers are an eternal part of our lives. Their love, care and sacrifices can never be compared with anyone. They are indeed the true heroes of our lives.

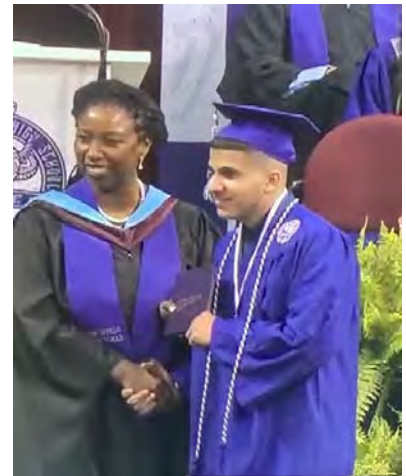

Edward and Edna have lived at Springtown Villa since 2018. Edward is the kind of guy who likes to be outside. He is always volunteering his time to keep things looking nice and tidy. Thank you Edward. Edna is more of an indoor kind of girl. She is usually the first to participate in our activities.

Ramona Galvez, on the left, is smiling big for the camera. Ramona is well known here at Springtown. She participates in many events and is constantly making her way around the apartments. She is always friendly to everyone and is quick to give everyone she sees a big smile. She loves to laugh and is ready to be silly anytime she gets the chance. Juanita, (Edwards Home Health) has been providing Lotoria or Spanish bingo, for our residents for quite some time now. Thanks for allowing us to be ourselves and enjoy each other.

CHAPULTEPEC HOMES & ADULT LEARNING CENTER**Happy 4th of July!**

Have you looked at the smhafss.wordpress.com site we created for FSS participants? If you haven't checked it out, we recommend doing so! You'll find a couple pages of great resources, from job training to food assistance, computer skills to activities for the kids! Also, each week a new post is added with upcoming events and brief life lessons.

Want to share something to the page about a life lesson you've learned? Email Lydia at Lydia@smpha.org with what you would like to write about or with a request for a future post topic!

We're starting to get more activities going lately! We had a movie night, FSS class about entrepreneurship, and a presentation from Cenikor about substance abuse prevention, all in one week!

We had a lot of left over supplies from the movie night, so some of our residents came to pick up craft supplies and make their own creations at home! We love seeing our community express their creativity!

Be sure to keep a look out for the next family fun events and join us for the great upcoming classes listed below!

Upcoming Events at the Chapultepec Adult Learning Center:

- July 13 at 6 PM - FSS Class: Child Development
- July 21 at 6 PM - FSS Class: Resumes
- July 28 at 6 PM - Cooking Class
