

Thank you to the students in the Texas State Recreation Department! The Recreation Students partnered with each SMHA site this semester to plan and facilitate an event. Events had a range of activities, such as Easter egg hunts, planting flowers, painting and Bingo!

Thank you to the many incredible organizations in the San Marcos area who help us provide services and resources to our residents.

Thank you to the Hays Food Bank for providing food for one of our Easter events!

Thank you Hugo from Showplace Mattress & Furniture for donating a mattress to a resident!

Happy Easter

EASTER

However you celebrate, there is so much that makes this holiday the special occasion that it is today — whether you mark it in a religious or secular way. There are some people that can't imagine Easter without a ham centerpiece. This meal symbolizes good luck for many cultures around the world. Easter brings together an unlikely bundle of traditions: church, bunnies and eggs and we seem to like it that way.

BINGO can improve your brain's processing speeds, alertness, and memory capabilities. Going to bingo, seniors can forge new friendships and tight social networks. Additionally, elders who play games regularly can reduce their risks for becoming depressed, just ask Roland Cruz!

COOKING CLASSES will help improve your cooking and skills. You can learn proper techniques and all the why's and how's. It's super fun and incredibly interesting to sample foods from different cultures. Cooking classes can help you expand your network and make new friends.
